

We are sorry to see you go! To avoid any unnecessary inconvenience or delay, please read the following information.

Ishbilila Kindergarten Leaving Procedure

To start Ishbilila Kindergarten's official leaving process, you will be required to complete the 'Student Leaving Form' found on page 2 of this document. This form must be completed in its entirety and accompanied by **all** required documents **a minimum of two weeks** prior to your child/children's final day of school. A list of required documents can be found on the form. Please do not submit original documents (scans or photocopies only) as they will not be returned to you. Your child will automatically be provided with a Transfer/Leaving Certificate.

Request for Official Documents

Should you require any additional official documentation from the school then you will need to complete the 'Request for Official Documentation' form found on page 3. Parents whose children will not be leaving or have previously attended the school may also complete this. The following documents are available:

Early Leavers' Report: If your child is leaving the school before the end of a semester, they **may not** be eligible for a Semester Report. In cases like this, you may request an Early Leavers' Report that will contain all available academic data. This is free of charge. Please note that these can take up to two weeks to produce. Semester 1 and 2 Reports will be released on the parents' portal **only** and are not able to be released early. The release dates are available currently on the school calendar but are subject to change.

Copies of old School Reports: All reports issued during/after the academic year of 2016-17 are available on your parent portal until your child departs the school. The school keeps an electronic archive of reports issued during/after the academic year of 2014-15. Copies of these are available for SAR 105.00 (inc. 5% VAT) per report. Please note that these can take up to two weeks to produce and the documents provided will be copies and not originals.

Financial Clearance Certificate: Certain educational establishments in the Middle East require this document to show that there are no outstanding payments to be made by the family to the school. This is free of charge. Please note that these can take up to a week to produce.

Kindly note that your child/children's book deposit and leaving documents cannot be collected until they have completed their final day of school. This is non-negotiable. Please keep this in mind when deciding on your child/children's last day of school/leaving date. Please also note all book deposits are refunded in cash only.

Collection of documents: If you have not been able to provide adequate notice (2 weeks) of your child/children's departure then you will receive a phone call from the Kindergarten when your documents are ready for collection. If there are no outstanding payments and the Kindergarten have received a 'Clearance Slip' from the Accounts Department, you will be issued with the requested documents.

If you have any further questions regarding the leaving process, please do not hesitate to contact us at registrar@mns-kgr.com or on 011 444 5960 ext. 100.

If you have any queries regarding financial matters, please contact our Accounts team by e-mail at accounts@mns-r.com or on 011 211 1620 ext. 234.
